October 9, 2014

Dear Chris and esteemed members of the ESCR-net,

For me is a great honor to inform you that I have been named the laureate of the Martin Ennals Award 2014. On behalf of ProDESC team and all the communities, workers and organizations we support, we would like to thank you for your unwavering partnership.

The Economic, Social and Cultural Rights Network (ESCR-net) has been a key ally in achieving our vision and mission. Your uninterrupted solidarity, energy and encouragement have been vital in enabling us to carry out our work despite the violence and threats we face in Mexico.

The Martin Ennals Award is an acknowledgement of my work, of ProDESC, but in particular, of all the human rights defenders in Mexico who devote themselves and all of their efforts to the common good of communities and others.

I reiterate my gratitude and I assure you that you are in our thoughts during what is for us a joyous moment which we would like to share with all our friends and allies.

Sincerely,

Alejandra Ancheita
